The operations of a Liuchow armament repair plant have now been restored to normal capacity. The Kwangsi Military District gave the plant an order to repair 5,000 rifles and make 1,000,000 rounds of ammunition during June. The order was filled on 10 July and was shipped on 16 July by rail to Nanning for delivery to the Kwangsi Military District authorities. With normal operations restored the plant has found working and warehouse space inadequate and is now erecting 12 buildings as an annex just east of the plant plus 4 warehouses about one kilometer northeast of the plant site.

25X1A [redacted] Comment. 25X1A [redacted] paragraph 2, reported the hiring of additional workers, the construction of eight new dormitories, and the production of large quantities of rifle ammunition at an arsenal near Liuchow during May 1951.
